LEARNING OBJECTIVES

The comprehensive, five session (100-hour) seminar series will focus on the principles of Straight-Wire Non-Extraction Orthodontics, which is our philosophy. The program is presented exactly as you would approach treating the patient; from diagnosis and treatment planning to case finishing mechanics. Upon completion of the entire program, participants will have the knowledge to:

- Produce Standard of Care Patient Documentation
- Confidently Select Cases for Treatment
- Interpret Cases Using a Predictable Diagnostic System
- Present an Accurate Treatment Plan and Treatment Sequence
- Evaluate and Troubleshoot Case Progression
- Implement the Most Current Treatment Options
- Deliver the Correct Mechanics in the Appropriate Sequence
- Finish Cases to a Level of Excellence

THE INSTRUCTORS

Kay C. Gerety – Director of Education

Kay is the Director of Education at Gerety Orthodontic Seminars and is the lead instructor of our online program. As a CDA, Kay worked alongside Dr Gerety in their dental practice, and for 30 years she assisted him in presenting their Comprehensive Orthodontic program. She developed and taught her own clinical program for dental assistants and has lectured extensively on office managerial topics including Orthodontic Integration and Profitability, Practice Management and Marketing, and Effective Staff Utilization. Kay is highly enthusiastic, motivating and knowledgeable and is dedicated to the success of our students.

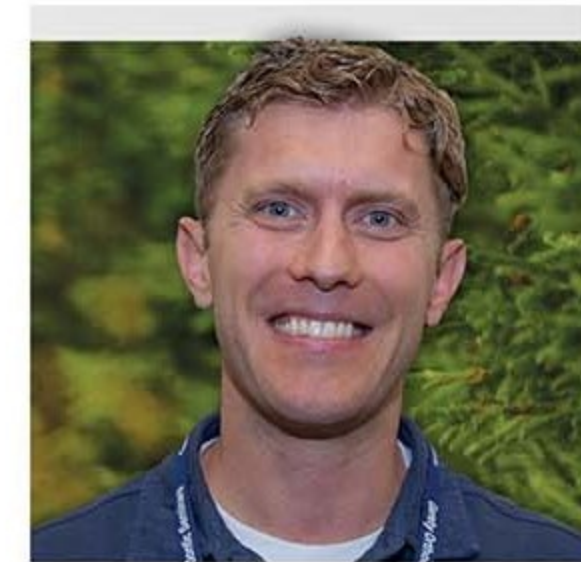

Dr. Debra Ettle-Resnick – Senior Instructor

Deb earned her Dental Assisting degree before graduating from the University of Minnesota with her DDS degree. In 1992, she started five private practices in northwestern MN and began incorporating Straight-Wire Orthodontics into her practices in 1994. Deb is a current member of Omicron Kappa Upsilon dental honor society. In 2004, she was awarded her Diplomat status by the AOS, and she has served on their Board of Examiners. She is a multiple recipient of the Robert G. Gerety Case of the Year Award, which is presented as recognition for the highest level of clinical achievement in orthodontics. We are honored to have Deb lead our Comprehensive Course team as Senior Instructor in Dallas.

Dr. Michael Auld – Instructor

Michael graduated Magna Cum Laude from Oklahoma Baptist University in 2005, and is a 2009 graduate of the University of Oklahoma College of Dentistry where he graduated with distinction. Michael joined his uncle's dental practice in McAlester, OK where he practices family dentistry. Michael completed our Tulsa Comprehensive Ortho course in 2011 and immediately incorporated the Gerety Straight Wire techniques into his practice, completing hundreds of cases using the Gerety methods. Michael has returned to our class each year and has been an invaluable mentor to our first year students, and a contributor to our online forum. We welcomed him to our team as an Associate Instructor in 2017.

Dr. Damon Huffman – Instructor

Damon graduated from the University of Texas Dental School at Houston in 1994. In 1995 he took Dr. Gerety's Comprehensive Orthodontic course in order to incorporate ortho into his busy family practice. In 20 years Dr. Huffman has completed over 700 orthodontic cases following Dr. Gerety's techniques. He has been an active member of the AOS and the AGD. Damon received his Fellowship in the AOS in 2011, his Fellowship in the AGD in 2013, and his Diplomate from the AOS in 2015. In 2014, Damon joined our Comprehensive Course team and is an associate instructor in Dallas.

Dr. Joseph Schmidbauer – Instructor

Joe is a member of our classroom teaching team for the Comprehensive Orthodontic Education program in Dallas and is a presenter in our annual Symposium. Joe joined the Gerety Comprehensive Orthodontic Education course in 1990, incorporating orthodontics into his practice and continuing to build that practice component utilizing the Gerety non-extraction straight wire philosophy for 29 years. His vast experience includes completing over 2,000 orthodontic cases. Since 2010, Joe has taught the philosophy and mechanics of Dr. Robert G. Gerety in the classroom in Atlanta, Nashville, Tulsa and currently with the team in Dallas. Joe graduated from Ohio State University College of Dentistry in 1979 and has maintained a private general practice in Oregon, OH for over 32 years.
